

Finance your project  
with EKF

## WHO IS EKF?

EKF is the Export Credit Agency of Denmark.

We increase the competitiveness of Danish companies by offering finance to their foreign customers.

# How does EKF help?

- › Insuring claims of Danish companies  
(when Danish companies provides credit)

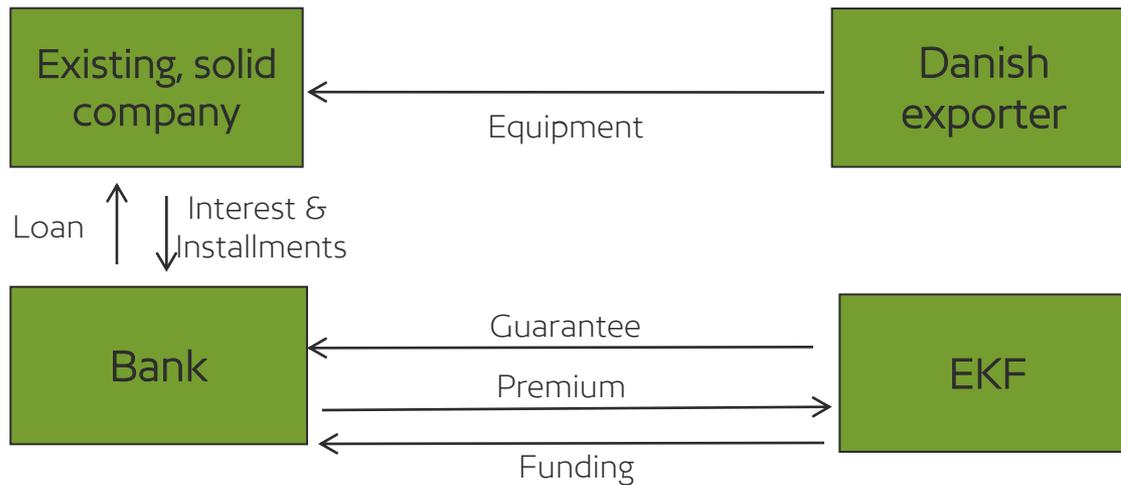

- › Financing Danish export companies  
(working capital facilities)

- › Financing Danish companies' foreign customers  
(gives them means to buy Danish equipment)
