

## ACRONYMS AND ABBREVIATIONS

AEC	Annual Energy Consumption
AEO	Annual Energy Outlook
ANOPR	Advance Notice of Proposed Rulemaking
ANSI	American National Standards Institute
ASHRAE	American Society of Heating, Refrigeration and Air-Conditioning Engineers
BOM	bill of materials
BT	building technologies
BTU	British thermal units
BVM	beverage vending machine
CBEC	Commercial Building Energy Consumption Survey
CEC	compressor energy consumption
CFC	chlorofluorocarbons
CFR	Code of Federal Regulations
COGS	cost of goods sold
CRE	commercial refrigeration equipment
CRI	color rendering index
CMER	consumer marginal energy rates
CSL	candidate standard level
DAT	discharge air temperature
DC	direct current
DEC	daily energy consumption
DOE	U.S. Department of Energy
DOJ	U.S. Department of Justice
ECM	electronically commutated motors
EER	energy efficiency ratio
EHD	electro-hydrodynamic
EIA	Energy Information Administration
EPA	U.S. Environmental Protection Agency
EPACT 1992	Energy Policy Act of 1992
EPACT 2005	Energy Policy Act of 2005
EPCA	Energy Policy and Conservation Act of 1975
°F	degrees Fahrenheit
FTC	U.S. Federal Trade Commission
GRIM	Government Regulatory Impact Model
HCFC	hydrochlorofluorocarbon
HFC	hydrofluorocarbon
INC	incremental cost
ImSET	Impact of Sector Energy Technologies
kWh	kilowatt hours
LCC	life-cycle cost
LED	light emitting diode
Low-E	low-emissivity
LSHX	liquid-suction heat exchangers

MPC	manufacturing production cost
MIA	manufacturer impact analysis
MLP	manufacturer list price
MPC	manufacturer production cost
MSP	manufacturer selling price
NAICS	North American Industry Classification System
NEMS	National Energy Modeling System
NES	national energy savings
NIA	national impact analysis
NPV	net present value
NOPR	Notice of Proposed Rulemaking
ODP	ozone depletion potential
PBP	payback period
PPI	producer price indices
PSI	pounds per square inch
PSC	permanent split capacitor
R&D	research and development
RTTC	Refrigeration and Thermal Test Center
RIA	regulatory impact analysis
SBA	U.S. Small Business Administration
SCT	saturated condenser temperature
SEC	U.S. Securities Exchange Commission
SET	saturated evaporator temperature
SPM	shaded-pole motors
TSD	Technical Support Document
TSL	trial standard level
USC	United States Code
W	watt
WACC	weighted-average cost of capital
