

U.S. DEPARTMENT OF ENERGY
PUBLIC MEETING ON ENERGY CONSERVATION STANDARDS
Walk-in Coolers and Walk-In Freezers Equipment
Forrestal Building, 1000 Independence Avenue, SW, Room # 1E-245
Washington, DC 20585
February 04, 2009

Purpose: The Department is holding this informal public meeting as a first step in the energy conservation standards rulemaking process for Walk-in Coolers and Walk-In Freezers. This meeting is intended to familiarize stakeholders with the approach and analytical tools that DOE anticipates using, and as such, it is the starting point for the rulemaking process. The meeting will highlight issues on which DOE requests feedback from interested parties on the assumptions, methodology, and analytical tools DOE proposes to use.
