

Wine Chillers and Miscellaneous Refrigeration Products Framework Document Public Meeting

DATE: February 22, 2012

TIME: 9:00 a.m.- 5:00 p.m. EDT

LOCATION:

U.S. Department of Energy
1000 Independence Avenue, SW
Room 8E-089
Washington, DC 20585

The Department of Energy will hold an informal public meeting on February 22, 2012, to discuss and receive comments on issues addressed in the Framework Document on prospective energy conservation standards and the initiation of data collection for wine chillers and miscellaneous refrigeration products.

Note: This is a preliminary announcement. More information about this meeting, including the deadline for submitting comments, will be provided upon publication of the announcement in the Federal Register.

The agenda and presentation file for this meeting will be provided within one week prior to the meeting.

How to Submit Comments

The deadline for submitting comments will be **30 days after the publication date** of the Federal Register Notice announcing this meeting.
