Proposed Action or Project Descriptio

American Recovery and Reinvestment Act:

The Shoshone Bannock Tribes of Idaho proposes to conduct energy efficient building retrofits on three public buildings (Tribal Business Center, Human Resource Development Center, and Timbee Hall Recreation Center). Retrofits proposed include replacing/upgrading control valves, in-core monitoring devices, facility air filtration systems; lowering programmable thermostat settings; placing timers on hot water heaters; installing solar water heating systems; installing efficient lighting; improving generator efficiency and appliance efficiency ratings; lighting retrofits; improving insulation and cut work; replacing doors, windows, and vestibules with energy efficient doors and windows; replacing HVAC systems with similar equipment; weatherstripping/caulking; replacing appliances with energy-saving appliances; upgrading high-efficiency showers/faucets.

Conditions: None

Categorical Exclusion(s) Applied: B2.5, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 10.21

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
