Location: City Joliet IL

Proposed Action or Project Description: American Recovery and Reinvestment Act:

1) Acquisition of technical services for development of an energy efficiency and conservation strategy and an energy strategy and sustainability plan (ongoing); 2) retrofit city traffic signals with light-emitting diode lighting; 3) development and implementation of a recycling demonstration project that would involve single-stream recyclables collection; 4) replace and purchase/install a boiler for the Motor Maintenance Division, replace/install a chiller at City Hall, and replace/install windows and doors at Union Station; and 5) develop an education video promoting recycling and environmental friendly living.

Conditions: Historic preservation clause applies to this application – Union Station (1912)

Categorical Exclusion(s) Applied: A9, A11, B1.32, B2.5, B3.6, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 1021

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
