Project Title LA-County-Livingston

Location: County Livingston LA

Proposed Action or Project Description

American Recovery and Reinvestment Act:

1) Consult for energy efficiency recommendations, strategies, and best practices for public buildings and implement Energy Efficiency and Conservation measures, 2) consult for a methane recovery study and establish new operating procedures and policies to be used for energy conservation in public buildings, and 3) building retrofits of the Parish Courthouse including window replacement, roof replacement, insulation, and resealing roof penetrations.

Conditions: None--Programmatic Agreement covers activities associated with facilities >50 yrs

Categorical Exclusion(s) Applied: A9, A11, B2.5, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 10.21

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
