Location: City Edmond OK

Proposed Action or Project Description: American Recovery and Reinvestment Act:

1) Grant administration and development of an energy efficiency and conservation strategy (ongoing); 2) installation of heating, ventilating, and air conditioning systems and lighting control energy management systems in municipal buildings and purchase of T-8 bulbs and ballasts and items to replace exterior lighting units with light-emitting diode bulbs, sockets, and globes; 3) purchase of a demonstration plug-in hybrid electric utility vehicle; 4) installation of variable speed drives and soft-start controls for motors used in the city's water and waste water processes; and 5) development and implementation of training and certification programs for building code enforcement staff, purchase of inspection equipment, and acquisition of contract services to support building inspections.

Conditions: Historic preservation clause applies to this application (DCC [1955])

Categorical Exclusion(s) Applied: A1, A9, A11, B1.32,
B2.5, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 1021

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
