

**2011 National Weatherization Training Conference
BPI Recognized for CEU Credits**

Session #	Course Name	Units
M07	DOE Introduction to the Weatherization Assistant (10728)	3
M09	DOE Introduction to WAP for Technical Staff (10729)	3
M10	DOE Ventilation 62.2: Implementing the New Standard (10730)	3
M12	DOE Multifamily Weatherization Overview (10731)	3
M13	DOE WAP: Rules and Regulations (10732)	3
M15	DOE Spreading the Word: Delivering Effective Information (10733)	3
M16	DOE Introduction to the Weatherization Assistant: Part 2 (10734)	3
M17	DOE Weatherization Assistant: Other Advanced Features (10735)	3
M18	DOE Weatherization for Energy Auditors and Inspectors-Single Family (10736)	3
M19	DOE Weatherization Crew Chiefs (10737)	3
M29	DOE Weatherization Installer- Technician Fundamentals/Intermediate (10738)	3
M22	DOE Combustion Appliances for Energy Auditors and Inspectors (10739)	3
M23	DOE Health & Safety Training for Programmatic Staff (10740)	3
M24	DOE Inspector General's Office and Government Accountability Office (10741)	3
M25	DOE Messaging: Communicating Your Message Through Various Tools (10742)	3
M04	DOE Mobile Home Overview (10743)	6
T01	DOE Building Shell Envelope: Basic (10750)	1.5
T02	DOE Energy Auditor's Toolbox: What's In It? (10751)	1.5
T03	DOE Infrared Camera Use: Seeing is Believing (10752)	1.5
T04	DOE Building Envelope: Case Analysis (10753)	1.5
T05	DOE Building Science: Crew Based (10754)	1.5
T07	DOE OSHA 101- Impacts on Weatherization (10755)	1.5
T08	DOE Health and Safety Guidance (10756)	1.5
T10	DOE Mobile Homes: Overview (1.5 hrs) (10757)	1.5
T11	DOE Introduction to Multifamily Part 1 (10758)	1.5
T12	DOE WAP: Rules and Regulations 1.5 hrs Part 1 (10759)	1.5
T15	DOE Building Shell Envelope: Advanced (10760)	1.5
T16	DOE Computerized Audit Tools: What's Out There? (10761)	1.5
T18	DOE Equipment Maintenance: Impact on Efficiency (10762)	1.5
T19	DOE Pressure Balancing (10763)	1.5
T20	DOE Water Heating: The Nuts and Bolts of New Technology (10764)	1.5
T23	DOE Lead Safe Weatherization and EPA's Lead Renovation, Repair, and Painting (10765)	1.5
T26	DOE Diagnostics for Mobile Homes: Air Sealing and Ducts (10766)	1.5
T30	DOE WAP: Rules and Regulations 1.5 hrs Part 2 (10767)	1.5
T33	DOE Basic Auditing and Estimating: Getting Started (10768)	1.5
T35	DOE Understanding Zonal Pressure: Aligning the Thermal Boundary (10769)	1.5
T36	DOE 1.5 Story Houses: How Do We Treat Them? (10770)	1.5
T37	DOE Blower Door Directed Air Sealing (10771)	1.5
T40	DOE Asbestos: Policies and Procedures (10772)	1.5
T41	DOE Healthy Homes Electronic Assessment Tool (10773)	1.5
T42	DOE Going Green: Green Building Directions (10774)	1.5
T43	DOE Diagnostics for Mobile Homes: Heating, Venting, and Air Conditioning (HVAC) (10775)	1.5
T47	DOE Federal Monitoring: Status Report (10776)	1.5
T49	DOE Communication Skills: Working with Clients (10777)	1.5
T50	DOE Training Programs: Building and Maintaining Capacity (10778)	1.5
W01	DOE Advanced Diagnostics: Duct Leakage Testing (10779)	1.5
W03	DOE Building Codes: How Codes Can Impact Weatherization Works (10780)	1.5

**2011 National Weatherization Training Conference
BPI Recognized for CEU Credits**

W05	DOE Attics: Air Sealing Bypasses (10781)	1.5
W06	DOE Crawl Spaces and Basements: Defining the Building Envelope (10782)	1.5
W09	DOE Combustion Safety: Dangers and Testing (10783)	1.5
W10	DOE Mold & Moisture: Including Indoor Air Quality (10784)	1.5
W11	DOE Ventilation 62.2: Implementing the New Standard Part 1 (10785)	1.5
W12	DOE Healthy Homes and Weatherization: Getting Started Part 1 (10786)	1.5
W13	DOE SERC: Renewables and Other Widgets to Deliver (10787)	1.5
W14	DOE Insulation for Mobile Homes: Roofs (10788)	1.5
W17	DOE Quality Assurance: State and Local Level Monitoring (10789)	1.5
W20	DOE Training Tools: Low Cost Props (10790)	1.5
W22	DOE Diagnostics for Single Family Units: Heating, Venting, and Air Conditioning Part 1 (10791)	1.5
W23	DOE Testing: Combustion, Efficiency, and Carbon Monoxide (10792)	1.5
W25	DOE Attics: Treating Knee Walls and Hatches (10793)	1.5
W26	DOE Crawl Spaces and Basements: Techniques for Insulating (10794)	1.5
W27	DOE Sidewall Insulation: From Start to Finish Part 1 (10795)	1.5
W31	DOE Radon: Impact and Implications for Weatherization (10796)	1.5
W32	DOE Ventilation 62.2: Implementing the New Standard Part 2 (10797)	1.5
W33	DOE Healthy Homes and Weatherization: Getting Started Part 2 (10798)	1.5
W35	DOE Insulation for Mobile Homes: Bellies (10800)	1.5
W36	DOE Multifamily: Applicability of Blower Door Testing (10801)	1.5
W41	DOE Training Tools: National Weatherization Training Platform (10802)	1.5
W44	DOE Diagnostics for Single Family Units: Heating, Venting, and Air Conditioning Part 2 (10803)	1.5
W45	DOE Weatherization: Generating Work Orders and Scope of Work (10804)	1.5
W47	DOE Attics: Ventilation (10805)	1.5
W56	DOE Mobile Homes: Windows, Doors, and More (10806)	1.5
W58	DOE Multifamily: Typical Measures (10807)	1.5
W61	DOE Weatherization Assistant: What's New? (10808)	1.5
Th01	DOE Client Education: Part of the System (10809)	1.25
Th02	DOE Combustion Appliance Zone (CAZ) Safety Testing Part 1 (10810)	1.25
Th03	DOE Quality Control: Inspecting Projects (10811)	1.25
Th04	DOE Blower Door Directed Air Sealing (1.25 hr) (10812)	1.25
Th05	DOE Ducts: How the System Works (10813)	1.25
Th09	DOE Unvented Space Heaters: How to Treat (10814)	1.25
Th12	DOE Recovery Through Retrofit Tools: Your Future (10815)	1.25
Th14	DOE Insulation for Mobile Homes: Sidewalls (10816)	1.25
Th16	DOE Multifamily: Health & Safety Concerns (10817)	1.25
Th22	DOE Combustion Appliance Zone (CAZ): Safety Testing (10820)	1.25
Th23	DOE Hot Climate: Procedures and Practices (10821)	1.25
Th24	DOE Applications for the Ductless Mini-Split (10823)	1.25
Th25	DOE Heating Systems: Steam and Hydronic (10824)	1.25
Th26	DOE Low-E Storm Windows for Weatherization (10825)	1.25
Th29	DOE Deferral Standards: Walk Away Slowly or Run as Fast as You Can (10827)	1.25
Th32	DOE Post Weatherization: Staying Involved Once the Work is Complete (10828)	1.25
Th34	DOE Mobile Homes: Ventilation Options (10829)	1.25
Th35	DOE Multifamily Audit Tool (10830)	1.25
Th36	DOE New Technology for Multifamily: Renewables (10831)	1.25
Th41	DOE Training Tools: New Technologies (10832)	1.25
