The following exercise relates to the review of certified payroll records. As you know, certified payroll records are required to be submitted by contractors on a weekly basis on all contracts subject to the Davis-Bacon labor standards provisions. Below is a portion of a wage determination applicable to this example.

Take a few moments and identify areas on the attached certified payroll record that you believe may indicate potential compliance problems. After you have finished, be prepared to discuss what actions you would take to further investigate the potential problems that you have identified.

	Rates	Fringes
Bricklayers	\$12.00	\$5.46
Carpenters	\$13.35	\$4.63
Laborers (Unskilled)	\$10.65	\$3.65
Sheet Metal Workers	\$15.24	\$3.778

Unlisted classification needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses in 29 CFR 5.5 (a)(1)(ii).
