PART IV. DEMOGRAPHIC INFORMATION

The U.S. Department of Energy is committed to broadening the participation of groups currently underrepresented in science and engineering in DOE activities. In order to accurately gauge our progress in achieving this important goal, we ask that applicants provide the requested demographic information about themselves. Submission of the requested information is voluntary and is not a precondition of award. Nonetheless, we need your cooperation, for information not submitted will seriously undermine the statistical validity, and therefore the usefulness, of information we get from others.
