

Accelerated Thermal Aging of Fe-Zeolite SCR Catalysts Using an Engine-based Systems Approach

Poster P-2, Wednesday

**Bruce Bunting and Todd Toops
Oak Ridge National Laboratory**

**Adam Foster and Ke Nguyen
University of Tennessee - Knoxville**

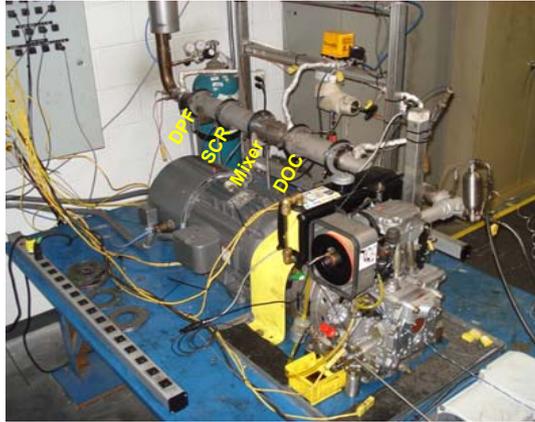

**Research is supported by the U.S. DOE
Office of Vehicle Technologies**

Catalysts were provided by Catalytic Solutions, Inc.

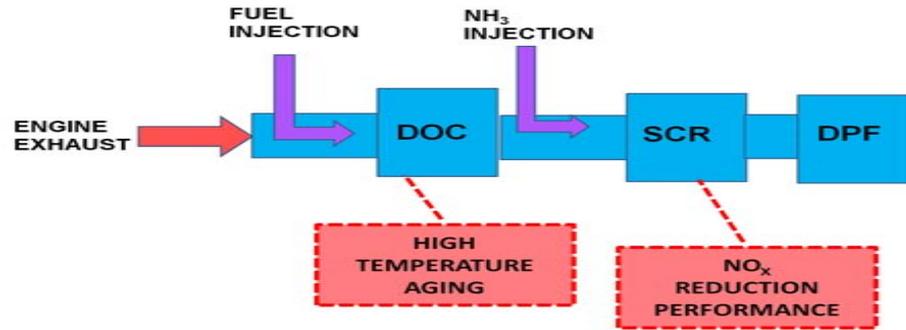

this project has it all !!!!

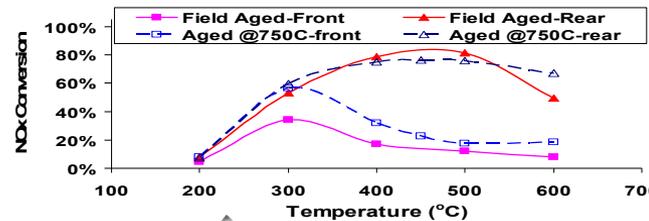

BUS AGING.....

SMALL ENGINE - SYSTEM AGING.....

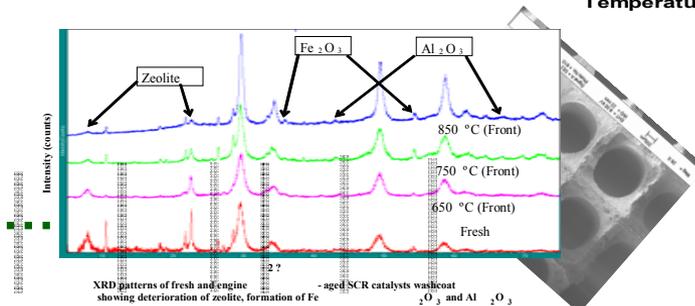

BENCH REACTOR EVALUATION.....

INCLUDING CLEERS
HYDROTHERMAL

MATERIALS CHARACTERIZATION.....

SORRY...
no room
for results!!
